נְשַׁמְתִּי is a combination of the word נִשְׁמָה, soul, and the word אֲנִי.

Close your eyes. Let your נִשְׁמָה guide your finger to drop onto the blue circle. Open your eyes. Your finger should point to a word. Locate the English meaning of that word. In the oval will be points. Play with the word.

Note: Some of these translations are not exact, but reflect the overall meaning and tone of the prayer.
