

Yotser Or

To fashion, **יוצר**, is a way of saying to "assemble," to build out of basic materials. A potter might fashion a pot out of clay.

יוצר Hebrew words out of the letters contained in these three pots. Write the number of the pot in which the word is found next to its English meaning. (You can only form a word out of the letters in one pot.) Letters can be used more than once.

- 1 blessed, praised
- 3 fashions
- 2 light
- 1 darkness
