

In this puzzle, we will practice writing some words from our בְּרָכוֹת, our blessings. Below you will find slices of לֶחֶם, bread, and jars of jam! On each jar of jam is the English meaning of one of the words from the blessings you have learned. Match up the type of jam with the fruit on the bread. Use the definitions given on pages 4, 6 and 7 of your prayer module to write the Hebrew meanings of those English words onto the proper bread slices!!! (On pages 6 and 7, the colors are your clues...)
