

In **יוצר אור**, we praise the Creator of light and darkness. At the bottom of this page you will find the English meanings of some words and phrases from **יוצר אור**. Next to each word or phrase is a sun or a moon. Use your key vocabulary list and key phrase to write the Hebrew for these words in the proper circle. If the word or phrase is next to a sun, write its Hebrew definition in the circle labeled “light.” If the word or phrase is next to a moon, write its Hebrew definition in the circle labeled “darkness.”
